

## **YEAR 11 2022 – VOLUNTARY AND EXTRA-CURRICULAR ITEMS AND ACTIVITIES**

Dear Parent / Guardian,

Bellarine Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary.

Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. The support provided by voluntary contributions has allowed us to ensure all students can access the College's learning program free of financial discrimination. The College is proud of the fact that it provides students with a rich and diverse program. Voluntary contributions from parents are much appreciated and will help us meet the diverse needs and interests of our students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Wayne Johannesen  
Principal

Sally Edgerton  
College Council
