Principal Report.

As the term draws to a close I would like to congratulate students for their commitment to their learning over the past 11 weeks. Term 2 has been a long term, free from many of the disruptions we encountered in Term 1.

Extra Curricula activities

The College's extra-curricula program continues to be very diverse and adds much to the classroom teaching and learning. There is much to celebrate that has occurred over the course of the term including;

The Women in Sport Breakfast,
Year 8 Future Bricks
The Year 7 Welcome BBQ,
ANZAC Assembly commemorative assembly,
Geelong Athletics, Cross Country and inter-school sport,
VET Music Brew House performances,
Year 12 Road Safety presentation,
VCE-VM Road to Zero,
Girls in Charge,
Year 11 & 12 VET Music Song Makers Incursions,
Outdoor Education Otway's Camp, Canoe Camp
ECO 5 Information Evening
Be Bold, Be Heard
Women in Stem,
Drumbeat,
Study without Stress,
Year 7&8 Victorian High Achievers Program
GAT preparation assembly
VCE Careers Expo
Year 10 Careers Information Evening,
Year 12 VCE PE Vo2 Max Incursion
Wheelchair basketball,
Bellarine Scholars,
Indonesian Speaking Competition,
White Card training,
Year 8 & 10 Life Changer,
Project 24
School Production Rehearsals
Year 7 incursions to the Drysdale Campus
Year 7 Drama Performances
Wathaurong Language workshops
Year 10 Careers week; Work Experience and University visits,
World Problems Theatre Performances,
Art Therapy,
VCE English Practice Exam

Next to the above there have been numerous class excursions to Geelong Racecourse, Melbourne Art Gallery, Hoop City, Port of Geelong, Queenscliff Maritime centre, F45 Drysdale, Supreme Court of Victoria, Werribee Zoo, ACMI Federation Square and numerous Outdoor excursions and VCE-VM excursions where learning is based in our local community.

The opportunities for students at our College are clearly numerous and diverse. I thank College staff for making these opportunities available to our students and for adding to the richness of student experiences. I thank parents and carers for supporting students to attend these opportunities. I reassure you that they add much to our student's experience. Thank you.

Principal's Report cont.

Positive Behaviour Recognition slips (PBR's)

The College is committed to the School Wide Positive Behaviours program and alongside explicitly reinforcing expected behaviours make it a priority to catch students doing the right thing and behaving in ways which reflect our College values of Respect, Responsibility and Resilience. With this in mind I am very proud to confirm that so far in 2024;

Term 1: 10,803
Term 2: 9,705
……
20,511

Staff of the College have recognised student behaviour on over 20,000 occasions so far in 2024!

I thank our students for behaving in such visible ways that reflect our values. They are very important to us and we take much delight in recognising them in this way. Thank you also to staff for taking the time to acknowledge student behaviour. Research tells us this is a very powerful way to acknowledge the behaviours we wish to perpetuate!

Careers Week

The final week of term is given to Careers for Year 10 students. This is very timely given these students will be making important decisions in term 3 for their programs as they move into the Later Years. While many students are in work placements for a week of work experience, others have spent the week visiting Universities to understand the pathways available to them beyond our College. The Universities that have been visited this week include: RMIT, Deakin University, Melbourne University and Victoria University (Footscray campus).

I would like to acknowledge and thank the many employers and workplaces across Geelong and the Bellarine Peninsula who have supported students to be in their workplace over this week. It is a fabulous experience for students and I am sure very powerful as they consider their pathway options.

I also thank and acknowledge Mr McDonald the Student Aspiration Team for making this program available for our students and families for your support of this initiative.

Celebration Assemblies

Each term ends with a Celebration Assembly which brings us to pause as we recognise and celebrate the achievements of our students over the preceding term. This term's assemblies on both campuses will occur on Friday afternoon before students are dismissed for the term break.

The assemblies will acknowledge students who have accumulated significant Positive Behaviour Recognition slips as well as the academic achievement of students and the success of students in non-academic areas.

This is an important celebration which provides a positive end to the term and brings students and staff together to celebrate achievements.

Finally, I thank families, parents and carers for your support over the past term and wish you a safe and happy mid-year break.

Wayne Johannesen

Gnurad-Gundidj Community Learning Project presentation 2024

On Friday the 14th of June, Year 9 students, Emma Ballard, Codey Broomhall, Archie Hunter, Indy Johnson, Alyssa Timbs & Neo tucker finished week 7 of 8 at the Gnurad-Gundidj School for Student Leadership.

This day also saw weeks of hard work and preparation come together for the presentation of their Community Learning Project. Bellarine Secondary College was one of eight schools presenting their Community Learning Project as part of the experience.

For their Community Learning Project, the Bellarine Secondary College students chose a focus of Respectful Relationships. They found that this was a mutual value that all 6 students found important within their school community. Their project aims to educate and spread awareness of respectful, non-toxic relationships through fun, interactive games and activities. They also wish to increase awareness of online relationships and cyberbullying by engaging a local member of the police force to speak with students.

Emma, Codey, Archie, Indy, Alyssa & Neo shared many storied and memories from their experience. These included new friendships, learning to surf, doing their own washing, learning to crack a whip and overnight hiking expeditions.

We wish you all the best for your final week and look forward to welcoming you back in week 11. We further look forward to working with you as you implement your project here at school.

[Louie Hunter | World's Greatest Shave | Leukaemia Foundation]

Why I'm taking part

Blood cancer is Australia's hidden cancer crisis. There are 140,000 families facing blood cancer right now. And it takes the lives of 16 Australians every day.
These numbers are set to double by 2035. Unless we do something about it. That's why I've signed up for the World's Greatest Shave.
I'm raising funds for the Leukaemia Foundation to give Australians facing blood cancer life-changing practical and emotional support.
And to fund critical research, bringing us closer to the day when zero lives are lost to blood cancer.
Will you be part of my World's Greatest Shave community and donate to my page?
Your donation means that together, we're working to stop blood cancer in its tracks.
Any amount – big or small – will make a real, tangible difference.

New Uniform Items

Bellarine Secondary College is committed to listening to student voice to provide a range of uniform options to suit each person. Please be advised of the following items now available for sale at Bellarine Uniforms.

	Beanie with Pom Pom and Logo The new 'Varsity-style' Beanie keeps heads both warm and trendy. **As well as being available from Bellarine Uniforms (Moorabool St, Geelong) A small number of Beanies will be available for purchase from both campus offices for $26.** Please note that the old beanie is still permitted, and students can also purchase this item from both campuses.
	Raincoat with Polar Fleece Lining Perfect addition to the uniform on drizzly days. The raincoat keeps students dry, whilst the polar fleece lining keeps students warm. **This item is currently for sale only at Bellarine Uniforms for $55.** A small number of non-branded coats will be available at the Junior Years and Middle Years Hubs to help students with sizing. Students are encouraged to try these on, to support families who may prefer to purchase these items online.
	Thick Coat with Polar Fleece Lining Roughly the same price as our current Rugby Top and Soft-Shell Jacket, the Thick Coat has an additional layer of fleece and aims to keep students warm on these upcoming cold mornings. **This item will be on sale soon at Bellarine Uniforms for $108.**

Our Frog has a Name!

Congratulations to the following students who's names were selected by Ms Clitheroe for our new froggy friend:

Honourable mention: Diet Croak (Lachie Humphries 8E)

3rd: Bartholemew James III (Ryan Bigmore 8A)

2nd: Toady Maguire (Ayla Winspear 8A)

And the winning name is:

Leonardo DiFroggio (Ella Trost 8A)

INDONESIAN "SAYEMBARA" SPEAKING COMPETITION

On Friday May 31st, several of our students who learn "Bahasa Indonesia" competed in the Geelong level of the VILTA Indonesian Speaking Competition (Sayembara Lisan). Students volunteered to participate in this program to extend their Indonesian language skills. They gave up some of their spare time to practice with their peers or the language teachers in preparation for this speaking competition. All students performed admirably and are to be congratulated for their enthusiastic and committed approach to their Indonesian language learning.

We are pleased to announce that the following students were very successful at the Geelong level and will go on to compete at the State Championships in Melbourne next term.

Year 7 – Ella Francis, Tilly Wiltshire, Isla Fraser, Milla Petrovics

Year 8 – Miha Majcenovic, Lucy Forster, Manny Levelt, Taylor Metcher, Kieley Delbridge

Year 9- Adam Aitken, Salem Stephenson, Daisy Sheather, Zion La vie, Selena Low

Earthwatch Australia are looking for students in Years 10, 11 and 12 at SA and VIC Government schools to join our upcoming expedition Ecosystems of the Murray River and Mallee

In our mission to inspire the next generation of environmental stewards, The Student Challenge gives secondary school students the chance to live and work in the field during their holidays with leading researchers to help solve some of Australia's most pressing environmental issues. It is an eye opening, adventurous and exciting opportunity for students to explore their interest in science and the environment.

Expedition details

Location: Calperum Station, SA
Dates: 27th Sep – 3rd Oct 2024
Cost: Fully funded! The George Alexander Foundation covers the expedition costs, including accommodation, food, transport and insurance.

CLICK HERE TO SEE FLYER

CLICK HERE TO APPLY NOW

To be eligible for these funded places, students must:

Be in year 10, 11 or 12
Attend a VIC or SA State Government school
Have not previously participated

Students do not need any prior field training, that's why this expedition exists – to acquire skills! They will need to complete an online application form, and highlight their passion for Environmental Science and the natural word. A letter of reference from a teacher or Principal will also need to accompany the application.

If you or your students have any questions regarding the program, please contact us at studentchallenge@earthwatch.org.au

Interested students please ask teachers Mr. Omar Lewis or Mr. Will Ryan for assistance.

We invite you to encourage your Aboriginal and Torres Strait Islander students to complete a registration for the 2024 Koorie Aspirations day. Each student will need to complete an individual registration via this link ***prior to the end of Term 2*** please to ensure they have a T-shirt ordered to their size. https://forms.gle/Z5rbJ816D2FfhqVMA

We will send a follow up email in term 3 for students to be able to register their interests in workshops, yarning circles and 'come and try' careers and this will include all of the further information about the day including venues and maps.

Please note it is an expectation that students are accompanied by a teacher/staff member from their school while in attendance at Koorie Aspirations day 2024!

If you have any questions or concerns please reach out to Barwon LAECG via email geelonglaecg@gmail.com

WHERE YOU CAN EAT: A GUIDE TO FOOD RELIEF ACROSS OUR REGION

What is Feed Geelong?

An initiative of the Give Where You Live Foundation, Feed Geelong exists to address food insecurity in the G21 region.

Through the support of our donors and partners, Feed Geelong provides funding to local food relief agencies. In addition to this, we work to bridge the gap between hospitality businesses and food relief agencies through our Community Choice program and also provide vouchers for prescription medication and material aid.

Our aim is to ensure everyone in our community has access to a wide network of agencies that offer a diverse range of food relief options, including groceries, pre-cooked meals, community meal events, and culturally appropriate options.

Please click on the links below to find out 'where you can eat' or go to the attached documents provided. Also there is a permanent link on the Bellarine Secondary College website.

Click here to view the Community Choice Food Merchants list.

Click here to see the Community Choice Pharmacy list.

Student Wellbeing

All staff are in a position to provide emotional support for the young people of Bellarine Secondary College. There is a Student Wellbeing Team at each campus that can be a valuable first contact for information and assistance. Members of the Wellbeing team are available to both students and parents/guardians to discuss matters concerning a particular students' welfare, needs or problems. The team is accessible by making an appointment. The College –wide team includes:

The wellbeing Team is focussed on proactive education to support young people develop their skills related to resilience, personal safety, and positive coping related to their own wellbeing and mental health.

The work of the Wellbeing Team across the College includes:

- 1:1 Support in the form of counselling, resilience building, and referrals to community support services such as mental health services, family support and allied health services.
- 1:2 Leading school-based small group programs and coordinating external small group programs.
- 1:3 Coordinating national health promotion events such as Mental Health Week, IDAHOBIT Day, and RU OK? Day.

When students access a health or counselling service at school, they have the right to provide or withhold consent to their personal or health information, obtained from them, from being disclosed to any other person, including their parent/guardian.

An Individual acquires that right when they have sufficient maturity to understand the consequences of this disclosure. Unless a student has an intellectual disability or is particularly immature, it is likely that a secondary student has the capacity to make this choice.

Where disclosure or health information is necessary to lessen or prevent a serious imminent threat to the student's health or safety, consent by a student to do this disclosure of information is not required.

If a secondary student self-refers to a counselling service provided to students at school, the College does not have to disclose this to parents guardians. However consent from the student to share information a parent/guardian or staff is always sought, when it is in the best interests of the student.

LOCAL RESOURCES

The wellbeing team may make referrals to local services or provide support for students and families to access valuable health and wellbeing online.

'Protecting Children from Tobacco Industry Interference'.

You will find a number of resources attached that ask people who DO NOT, or have AVOIDED PRESSURES to vape … what they say or do to 'Escape the Vape' … so that we can share that wisdom with young people to help them say NO when offered an e-cigarette.

We hope to use the (anonymous) responses we get to produce useful tools and information for young people to build practical skills to manage those times when they may get caught up in the moment, or respond to stressful situations, and are at risk of succumbing to vaping.

Schools are invited to share this information with their communities, and to consider whether they would like to incorporate it into their health and wellbeing activities on World No Tobacco Day.

Resources we have provided for you include:

- A poster you can print out and display with a QR code that links to an anonymous single question – "What do you do or say to 'Escape the Vape'?"
- A social media tile.
- An image for placement in a newsletter.

Health Services along with other partners across our region have worked together to create a campaign to find out how people in our community can 'Escape the Vape'. To recognise World No Tobacco Day on May 31st we are hoping to collect ideas, one liners and words for younger people to use, to help them say NO when offered an e-cigarette. Tell us your ideas via the online survey

Head Lice/ Nits

Head lice are small, wingless insects that live, breed and feed on the human scalp. They do not generally carry or transmit disease.

A female louse lays 3 to 8 eggs (nits) per day. The eggs are firmly attached to the hair fibres, within 1.5 cm of the scalp, and rely on warmth from the head to hatch. **Head lice do not have wings or jumping legs, so they cannot fly or jump from head to head. They can only crawl.**

People catch head lice from direct head-to-head contact with another person who has head lice. Head lice are most common among children and their families.

If you suspect someone might have been exposed to head lice you will need to closely inspect that person's hair and scalp.

So what are you looking for? Head lice eggs are oval, and the size of a pinhead. They are firmly attached to the hair shaft and cannot be brushed off

There is no evidence to suggest that you need to clean the house or the classroom. The only linen that requires changing is the affected person's pillowcase. Wash it in hot water (60 ºC) or dry it in a clothes dryer set to warm or hot. **There is no need to treat the whole family, unless they also have head lice.**

The easiest and most effective way to find head lice is to use the conditioner and comb treatment weekly. This includes:

- Step 1. Comb hair conditioner onto dry, brushed (detangled) hair. This makes it difficult for lice to grip the hair or run around.
- Step 2. Thoroughly comb sections of the hair with a fine tooth head lice comb.
- Step 3. Wipe the conditioner from the comb onto a paper towel or tissue.
- Step 4. Look on the tissue and on the comb for lice and eggs.
- Step 5. Repeat the combing for every part of the head at least 4 or 5 times.

Step 6. If lice or eggs are found, the person should be treated.

The 2 preferred treatment options available for initially treating head lice are the 'conditioner and comb' method, and the use of an insecticide.

According to the **Public Health and Wellbeing Regulations 2019**, children with untreated head lice are not permitted to attend school or children's service centres. However, once treatment has started, they may attend, even if there are still some eggs present.

There is no product available that prevents head lice. However, tying long hair back and checking weekly for lice, using the conditioner and comb method, can help prevent the spread.

Changes to School and Route buses

From Monday 3 June 2024, changes to school special and public route buses will be introduced .

These school services and more are delivered by McHarry's Buslines. Their website gives a complete picture of all the school special services operating across the region and offers alternatives for routes that are ceasing or changing. Information on public route buses is available on the PTV Website.

- D7 (PM) – *Clifton Springs & Curlewis – Bellarine SC/Saint Ignatius Interchange*
- D10 – *Oakdene (Ocean Grove) – Bellarine SC/Saint Ignatius Interchange*
- D8 – *Oakdene & Kingston (Ocean Grove) – Bellarine SC/Saint Ignatius Interchange*
- OG4 – *Portarlington – Bellarine SC (Ocean Grove)*
- SI6 – *Ocean Grove (Thacker St) – Bellarine SC/Saint Ignatius Interchange*
- D7 (AM) – *Clifton Springs & Curlewis – Bellarine SC/Saint Ignatius Interchange*

All maps have been attached to the recent Compass Post to students and families.

Termination of the D1 school special route

D1 school special will no longer run. As part of the decision to terminate the D1 service, the **OG4 school route** is being adjusted commencing 3 June to depart from Portarlington-Queenscliff Rd at Tower Rd and service both campuses of Bellarine Secondary College. It will drop students at Bellarine SC Drysdale by 8.24am and Bellarine SC Ocean Grove by 8.40am. Portarlington is also serviced by some other existing school routes that will continue to operate unchanged - the **OG1 school route** services both campuses of Bellarine SC and the **D2 school route** services the Drysdale campus only.

Banks Road closure.

Queenscliff:

AM service will divert through Point Lonsdale (same as PM route). Students that board on the Bellarine Hwy in Pt. Lonsdale will need to catch the bus from Point Blvd opposite where they get off in the afternoon.

Collendina:

Will follow the attached detour AM and PM. Students that boarded on Banks Rd will need to catch the bus from the following addresses.

AM: 245 Coastal Blvd 8:13am

PM 240 Coastal Blvd

This will also result in delays as the new route is longer than the current route. (Attached map provided).

Stolen items from Lockers

Unfortunately it appears as if lockers were interfered with last weekend and items were stolen from a number of lockers. While Bellarine Police are looking into this matter, students who believe they have had any items stolen from their locker should report to the Drysdale General Office so that we have a record of what has been stolen.

This is clearly a very timely reminder for students to ensure their locker is secured by a padlock. It is the responsibility of every student to lock their locker and secure their belongings.
