Principal Report.

Welcome back!

As we begin Term 2, I would like to warmly welcome all students, staff and families back to Bellarine Secondary College. I hope the break provided an opportunity to rest, recharge and spend time with family and friends. Term 2 is always a busy and productive period, with a strong focus on teaching and learning, and I look forward to seeing our students re-engage with their studies and continue to build on the progress they made during Term 1.

This term presents many opportunities for growth, connection and achievement. We will continue our whole-school focus on high-quality teaching practices, particularly in strengthening reading across all learning areas, while also supporting students to demonstrate their learning through a range of assessment tasks. I encourage all students to approach the term with a positive mindset, a commitment to their learning, and a readiness to make the most of every opportunity available to them.

Industrial Action

I would also like to provide our community with an update regarding the industrial action recently proposed by the Australian Education Union (AEU), and how this may be visible within our school. The AEU has indicated it intends to take a number of forms of industrial action commencing Monday 20 April 2026. This is a system-level matter and not specific to Bellarine Secondary College. I acknowledge and support the right of staff to take protected industrial action, and recognise that such action is often taken in pursuit of improved conditions for staff, increased funding for schools, and ultimately better outcomes for students.

The proposed actions include a ban on attending up to one hour of scheduled meetings per week, which may result in some meetings proceeding with reduced attendance or, in some cases, being cancelled. There is also a ban on responding to certain Department of Education emails, excluding those related to child safety, occupational health and safety, and employee entitlements. Importantly, all staff remain required to meet their obligations in relation to child safety and wellbeing at all times. In addition, there is a ban on aspects of work related to the provision of written comments on student reports. Should this impact reporting processes, families will be advised accordingly.

While some elements of this industrial action may be visible to students and families, such as adjustments to meetings, communication or reporting, please be assured that we are working carefully to minimise disruption to teaching and learning. Our priority remains maintaining a safe, orderly and supportive environment for all students. I also acknowledge that staff may make different decisions regarding participation in industrial action, and I ask that these decisions are respected as we continue to work together in a professional and respectful manner in support of our students and community.

Principal Report continued.

Over the holiday period, a group of our students and staff were fortunate to participate in the Indonesian Study Tour, which proved to be an outstanding and deeply enriching experience. The trip provided students with the opportunity to immerse themselves in Indonesian culture, language and daily life, while also strengthening their independence, confidence and connections with one another. Our students were fabulous ambassadors for the College, demonstrating respect, curiosity and a genuine willingness to engage in every aspect of the experience.

A particular highlight of the trip was the time spent with our sister school, Darul Hikam International School in Lembang. Although the visit was brief, it was incredibly meaningful, with students forming wonderful friendships with their Indonesian peers and opening their eyes to the richness of our wider world. These experiences not only deepen intercultural understanding but also strengthen the important partnership between our two schools. I thank the staff who led and supported the trip and encourage our community to speak with those involved to hear more about this wonderful experience.

Ocean Grove Kindergarden

I recently shared that a new kindergarden is to be built at our Ocean Grove campus. The new centre will provide an additional 118 kindergarden places, supporting local families and strengthening the educational pathway within our community from early childhood through to secondary school.

We are working closely with the Victorian School Building Authority (VSBA), who will oversee the construction of the project. At this stage, we anticipate the kindergarden will be completed and open in Term 1, 2027. The service will be operated by a high-quality, not-for-profit provider appointed by the Department of Education, who will manage enrolments, staffing and program enquiries once confirmed.

We are mindful of the potential impact of construction on our community and will continue to work with the VSBA to minimise disruption wherever possible. A dedicated project webpage will also be established by the VSBA, providing updates and allowing our community to track progress. I look forward to sharing further updates as the project progresses.

Principal Report continued.

Improved carparking

A project associated with the establishment of the Kindergarden at the Ocean Grove campus is the addition of further car parking. This additional car parking is much needed and will provide further parking for staff and visitors to the College. This is presently quite a challenge, as is the traffic congestion at peak times and something we are hopeful will be addressed by the City of Greater Geelong given the traffic we experience at both the start and conclusion of the school day.

Three Way Conferences

This term also provides an important opportunity for families to engage in our upcoming Three Way Conferences (Parent-Student-Teacher interviews). These meetings are a valuable chance to recognise and celebrate student achievement, reflect on progress so far, and develop a shared understanding of the next steps in each student's learning. I strongly encourage all students and families to take advantage of this opportunity to connect with teachers and actively support ongoing improvement. More information to follow.

Mobile phones at school

At Years 7 and 8, we have established a consistent approach to mobile phones, with devices collected from students at the start of the school day and securely returned at the end. This practice has had a very positive impact on the learning environment, reducing distractions and supporting students to remain focused and engaged in their classes. It has also contributed to improved social interactions, with students more actively connecting with their peers during breaks and building positive relationships. Importantly, this approach supports student wellbeing by minimising issues associated with social media and online communication during the school day, helping to create a calmer, more inclusive and purposeful school environment.

This practice is not currently in place across Years 9–12. However, there is a clear intent to extend this approach, beginning with Year 9 in 2027. This staged introduction will allow us to build on the success seen in the junior years and continue to strengthen a focused, respectful and engaging learning environment for all students.

As a reminder, at the Drysdale Campus (Years 9-12) the expectation for all students is that mobile phones are secured in their lockers from 8.50am, prior to the start of the school day, and remain there until the end of the day. This is a clear and consistent expectation that supports a focused and positive learning environment. Our experience, however, is that a number of students are not meeting this expectation and are carrying phones in their pockets throughout the day.

Any student observed with a mobile phone in their possession will be required to hand it in at the General Office for the remainder of the day. Where a student repeatedly fails to secure their phone in their locker as required, further consequences will apply in line with our school's expectations. This approach reflects the Victorian Government's mobile phone ban in schools, which is in place to reduce distractions, support learning and promote student wellbeing.

I encourage all students to take responsibility for meeting this expectation each day and, where possible, to leave mobile phones at home unless they are absolutely required.

Principal Report continued.

Capital Works

I am pleased to share that the refurbishment of the Swan toilets at our Drysdale Campus has now been completed. This upgrade has significantly improved the quality, cleanliness and functionality of the facilities, providing students with a more modern, respectful and welcoming environment. The project reflects our ongoing commitment to maintaining high standards across the College and ensuring that our learning spaces and shared facilities support student wellbeing. Please see the images included below, which highlight the transformation of this space.

ANZAC Commemoration

The College recently came together for a whole school assembly to commemorate ANZAC Day, which was a significant and respectful occasion within our school community. The assembly provided an important opportunity for reflection, honouring the service and sacrifice of those who have served our country, and reinforcing the values of respect, responsibility and community. In addition to the assembly, it was pleasing to see strong attendance and support from our students at commemorative services across the Bellarine Peninsula, where they represented the College with pride and maturity. I would like to acknowledge and thank Sarah Foley (Assistant Principal), Dave Mitri (Assistant Principal), Damian Marra (Assistant Principal) and Kane Dougherty (Assistant Principal) and Senem Shamsili for their leadership in coordinating the assembly and supporting student involvement in community commemorative services. Their work ensured that our College was both well represented and deeply connected to our local community in marking this important national occasion.

In addition, the College continues to support the ANZAC Cemetery Project, with students engaging in the important work of recognising and honouring the graves of service men and women within our local community. I would like to acknowledge Taylan Black, Daisy Sheather, Chelsea Duncan, Charlie Black, for their leadership and commitment to this project and for their support in placing the flags at the Drysdale cemetery. The students efforts have ensured that this work is carried out with respect and care, providing students with a meaningful connection to local history and the legacy of those who have served.

Support and Communication

House Leaders are generally the first point of contact for parents and carers seeking support. Early communication allows us to work together to support student wellbeing, engagement and learning.

	Corio	Lonsdale	Nepean	Swan
Year 7 & 8	Caitlyn Carter	Jevon Nicholas	Tom Roberts	Ryan Shaw
Year 9 & 10	Bree Redden	Jenny McCarthy	Annie Oliver	Jacqui Slattery
Year 11 & 12	Merryn Chalmers	Suzanne Mack	Jess Armstrong	Omar Lewis

Bellarine Athletics Carnival 2026

It was a fantastic day at Landy Field yesterday for our annual House Athletics. A massive thank you to the VCE VM beyond the track team—the stalls and BBQ were top-tier and kept the energy high all day.

Participation was outstanding on the track and field, as well as the effort in the costume department, featuring Ronald McDonald, Monsters Inc, Up, and the Barbie crew.

Huge congratulations to Corio for taking out the Overall, Junior, and Intermediate titles, and to Nepean for a strong performance to claim the Senior Championship.

Individual Age Champions:

- 13s: Ruby Cripps (LO) & Bruce Hender (CO)
- 14s: Chloe Weber (CO) & Buddy Guilford (NE)
- 15s: Shyloh Smith (CO) & Arden Reid (CO)
- 16s: Alyssia Bilney (CO) & Mason Mciver (LO)
- 17s: Skye Donegan-Brasier (SW) & Liam Tainton (SW)
- 20s: Poppie Wood (NE) & Gustav Hultman-Alwen (NE)

Well done to everyone who represented their house throughout the day or volunteered as a helper!

Year 10 Careers Week Information Night

Tuesday 5 May

An information evening will be held to outline plans for Careers Week, taking place in the last week of Term 2 (22–26 June).

Time: 5:45pm – 6:30pm

The session will include a 30-minute presentation followed by a Q&A.

Location: Yani-ing-ngitj Centre

The session will also be recorded via TEAMS for families unable to attend in person.

📧 Please click the link to book your place:

<https://www.trybooking.com/DKWNI>

During Careers Week, students and parents/carers can choose between:

- Participating in university and training provider visits, or
- Undertaking work experience for the week

For further information, please contact:

Scott McDonald

Leader of Learning – Student Aspirations

📧 scott.mcdonald@education.vic.gov.au

Student Absences Reminder

All student absences must be reported to the school on the day of the absence.

You may do so using one of the options listed below. Thank you for your cooperation and support.

2026 School Production cast announcement

We are excited to announce the cast for our 2026 Bellarine Secondary College school production:

Shows: 14th and 15th August!

Troy – Keegan Sims

Sharpey – Roxy Cronwright

Taylor – Leteisha Robinson

Student Wellbeing

All staff are in a position to provide emotional support for the young people of Bellarine Secondary College. There is a Student Wellbeing Team at each campus that can be a valuable first contact for information and assistance. Members of the Wellbeing team are available to both students and parents/guardians to discuss matters concerning a particular students' welfare, needs or problems. The team is accessible by making an appointment.

The wellbeing Team is focussed on proactive education to support young people develop their skills related to resilience, personal safety, and positive coping related to their own wellbeing and mental health.

The work of the Wellbeing Team across the College includes:

- 1:1 Support in the form of counselling, resilience building, and referrals to community support services such as mental health services, family support and allied health services.
- 1:2 Leading school-based small group programs and coordinating external small group programs.
- 1:3 Coordinating national health promotion events such as Mental Health Week, IDAHOBIT Day, and RU OK? Day.

When students access a health or counselling service at school, they have the right to provide or withhold consent to their personal or health information, obtained from them, from being disclosed to any other person, including their parent/guardian.

An Individual acquires that right when they have sufficient maturity to understand the consequences of this disclosure. Unless a student has an intellectual disability or is particularly immature, it is likely that a secondary student has the capacity to make this choice.

Where disclosure or health information is necessary to lessen or prevent a serious imminent threat to the student's health or safety, consent by a student to do this disclosure of information is not required.

If a secondary student self-refers to a counselling service provided to students at school, the College does not have to disclose this to parents guardians. However consent from the student to share information with a parent/guardian or staff is always sought, when it is in the best interests of the student.

The College Wellbeing Team is as follows:

Student Wellbeing Team	School Nurse	Mental Health Practitioner
Nicole Wirth, Ocean Grove and Drysdale	Mel White, Ocean Grove and Drysdale campus	Renae Schomacker Ocean Grove and Drysdale
Jan Bowes, Drysdale		
Kate Grinter, Drysdale		Samson – Wellbeing Dog
Kate Daley Ocean Grove		

LOCAL RESOURCES

The wellbeing team may make referrals to local services or provide support for students and families to access valuable health and wellbeing online.

STAYING CONNECTED TO YOUR TEENS

Join Lael Stone for a practical and reassuring session on understanding adolescence and staying connected with your teen through the ups and downs.

This session explores the teenage brain, healthy boundaries and communication strategies that support strong relationships during this important stage.

Want to support your teen with anxiety or depression?

Check out
Partners in Parenting!

What is *Partners in Parenting*?

- Evidence-based, online program designed to help build your skills and confidence to support your teen's mental health
- Covers parenting challenges such as communication, managing strong emotions, boundaries, conflicts, and staying involved in your teen's life while they navigate their independence

You will:

- Receive **one of two versions** of Partners in Parenting:
 - Self-guided version (explore the online program at your own pace)
 - Peer-guided version (paired with a 'PiP Coach' who has lived experience of caring for a teenager with mental health challenges)

You will be asked to:

- Complete some surveys at 3 time points over 12 months
- Complete up to 10 online modules, weekly
- If you receive the peer-guided version of the program, complete up to 10 coaching sessions with a PiP Coach, via videoconferencing

You may be eligible if you:

- are an adult caring for a teen aged 12-17 years
- are concerned about your teen's anxiety or depression
- can read, write, hear, and speak English
- have regular internet access
- live in Victoria

All parents and teens who complete surveys will receive e-gift vouchers (up to \$80 for parents, up to \$45 for teens)
